

iOS DEVELOPER

Full or Part Time in Graz

You're looking for a new challenge within an innovative and young team?

You love Apps and Digital Marketing is your thing?

YOUR JOB

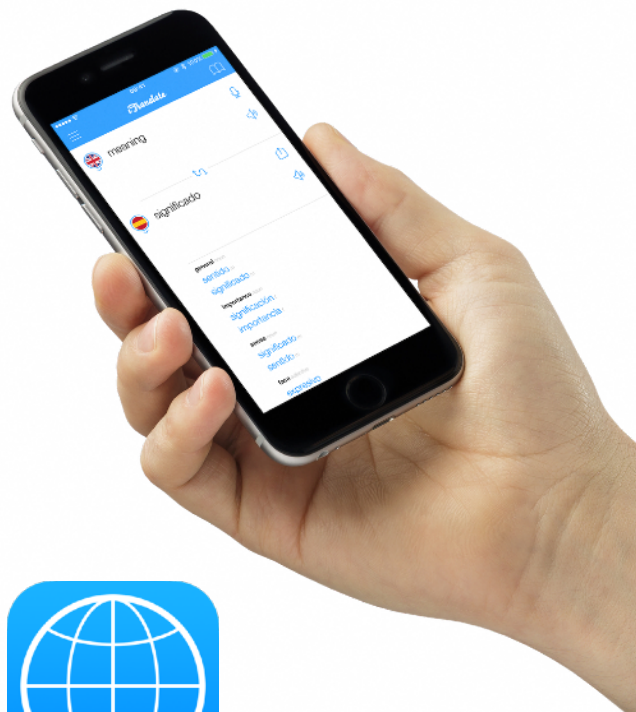

- Independent development of apps and app components on the latest iOS standards.
- Conception and implementation of mobile apps
- Collaborate with designers, developers and product managers
- Technical architecture decision making

YOUR SKILLS

- Work experience in the area of mobile development or (almost) completed studies in the area of computer science.
- Know-how and experience in the development of native iOS Apps with Xcode / Swift / Obj.
- Additional experience in Android development is an advantage.
- Experience with Client-Server Architecture & Rest APIs.
- Excellent language skills in German & English.
- Independent working ability and high sense of self-responsibility.

OUR OFFER

- Our vision is to enable everyone in the world to speak any language. Be part of it!
- Solve challenging tasks and make your own decisions.
- Competitive salaries depending on your work experience and your qualification.
- Best office in town with panorama view over entire Graz.
- Modern office infrastructure and work equipment.
- Young and highly motivated team!
- Location: Graz, Austria
